

A PLEA TO USERS OF THE PARK

October 2011

Hello

As you will see the leaves are dropping at Northwood House Park! We are doing our best to keep on top of them before the real big drops occur – all it needs is a strong wind and they will collect in the usual places.

The Trustees would really appreciate anyone who can help rake them into piles and put into large ballast bags. It's not too onerous or physically demanding as the bags leaves can be immediately pulled into the trailer and taken to one of our collecting points where they can rot down and won't be blown around the park again.

We have been collecting some leaves on a daily basis whilst the weather is fine and they are relatively light when dry. We have decided to fix a couple of days each week when volunteers might like to help for as much time as they can spare. Even for an hour you will be very welcome.

To kick off we plan to collect into bags and trailer each Wednesday and Saturday morning between 10am and 1pm over the next few weeks – meeting at the Community Hall or you will see the car and trailer in the park. Tea, coffee and biscuits provided. If you can join in please call the House Manager Chris Buckett on 293642 or Philip Thwaites on 282551 or visit www.northwoodhouse.org.

Many hands make light work and will really help keep the park as tidy as it is now. We have some rakes but if you have your personal favourite - bring it along!! Start date Saturday 15th October.

We look forward to seeing you.
